

NOAA Seattle Libraries

NOAA Seattle Regional Library (NESDIS, NODC) Sand Point campus, Bldg. 3

URL: <http://www.wrclib.noaa.gov>
E-mail: Seattle.Library@noaa.gov

The NOAA Seattle Regional Library collection focuses on atmospheric sciences, oceanography, and marine pollution and provides regional library support services to NOAA Libraries throughout the NOAA West Region.

Northwest and Alaska Fisheries Science Centers Library (NMFS) Montlake campus

URL: <http://lib.nwfsc.noaa.gov>
E-mail: NWFSC.Library@noaa.gov

The NW/AFSC Library collection focuses on fisheries, fisheries management, population biology, and ecosystem biology and supports field offices throughout in Washington, Alaska, Oregon, and Idaho.

National Marine Mammal Laboratory Library (NMFS, AFSC) Sand Point campus, Bldg. 4

URL: <http://www.afsc.noaa.gov/nmml/library>
E-mail: NMML.Library@noaa.gov

The NMML Library collection focuses on all aspects of marine mammals including population biology, conservation, ecosystem biology, and management. The NMML Library serves as a resource for marine mammal research conducted throughout NOAA.
